

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning equipment. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than sixty years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are committed to offering top quality and new design concepts to be able to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They like providing items that energize both their dealers and their partners and offer production gains to their clients.

The team at TREK likes tackling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and requirements along with their knowledge of cleaning applications, along with owners' strong desire to considerably lower cost through productivity gains.

The personnel at TREK and their dealer-partners are really dedicated to having both parts and technical support available when it is needed. Their high service commitment is amongst the core values in their customer service. Keeping their clients' cleaning machines ready and running on a daily basis is top priority. The company's top of the line technology delivers dependable machine that ultimately lowers your cost of cleaning. The price, the service and the product all work as one to make them the leader in the business.
