Advance-Nilfisk Parts - Imagine how tedious it will really be to tidy up your own home right after throwing a large party, without assistance from cleaning machines. Back in the day, when upholstery and carpets had the dirt beat out of them by hand; brushes, brooms and cleaning cloths were the leading cleaning supplies during that time.

P.A. Fisker, the founder of Nilfisk-Advance, was actually an electrical engineer who loved working with electrical motors. Founding the business in the year 1906, he began to produce motors in order to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's dream from the beginning was to have a global business marketing merchandise internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning business. Mr. Fisker invented an amazing, ground breaking vacuum cleaner which could be operated by one person for the reason that it just weighed 17.5 kilos! This invention came in a time where many cleaning equipment were very big and required 4 or more operators, hence, the Nilfisk C1 changed everything and developed the way we clean forever. The brain behind these first cleaning machines remains unparalleled. Cleaning machines offer an excellent solution to an existing crisis; stuff get dirty and should be cleaned frequently, without a lot of effort.

Slowly but progressively, Nilfisk-Advance expanded all through the decades. In the nineteen eighties, this growth truly took place the time the business became a part of the NKT Group. Their new owners' drive and motivation made Nilfisk-Advance take a huge leap forward within the business, aiming to be amongst the largest global players in the market of professional cleaning machines. Nilfisk-Advance is currently found in every part of the world by gradually obtaining numerous smaller businesses in order to grow their product selection and presence in new markets. They are proud to offer different cleaning solutions to meet each requirement.
